Subject: San Diego DA Public Corruption Investigation

Mr. Chiang,

As per our conversation this date, the following links will take you to some of the articles from GTI News Photo's investigation. All articles are hot linked to other supporting articles and documentation.

The DDA Ernest L. Marugg corruption cover up with DA State Bar Assoc. protection agreement e-mail. Process identical to other DDA corruption cover up occurring during the same time frame.

The DDA Laura Gunn obstruction of justice and witness suppression in the Oceanside Officer Damon Smith audio tape evidence tampering.

The DDA Daniel Rodriguez audio tape evidence tampering with Oceanside Officer Jon Domonique, and county Sheriff's department

A lot of the DA corruption cover up and protection was connected to a law suit against DA Dumanis and DDA Gunn for evidence tampering in the Cynthia Sommer Murder Prosecution.

I will give the State Bar some time to review and investigate these cases, and then I would like to interview Bar representatives. I would like to know what the Bar knew about these case, and what the Bar has done in the way of any past or present investigations.

Please drop me a reply to confirm I have the right e-mail, and that you have received the links to articles.
