Subject: Oceanside Firefighters Association Political Action Committee –
discrepancies/issues/omissions with their election period reports –
FPPC Forms 460 and 496 - Municipal Election of 11/2/2010

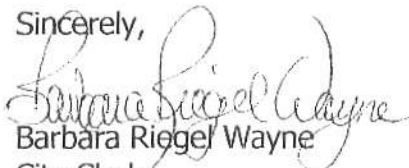

Dear Mr. Winuk,

The Oceanside Firefighters Association (PAC# 923161) has made numerous errors/omissions on the forms filed with our office for the last three election period filings. They have missed the filing deadlines, have omitted expenses for independent mailers previously mailed in support of a candidate, have noted on filings they were in support of a candidate when in fact they were in opposition and changed the filings after the election to opposition, etc. They have not been forthcoming with any corrections without letters from our office inquiring into the lack of complete information on their filings prior to any amendments.

The issues/errors/omissions are for the filing periods of 7/01/2010 to 9/30/2010, 10/01/2010 to 10/16/2010, and on form 496 filed during the 24-hour filing period of 10/17/2010 to 11/01/2010 and are detailed on the attached spreadsheet.

This PAC over the years has had quite a history of political activity including monetary contributions and independent expenditures/mailings, etc. That is why we are concerned with the improprieties in their reports and the timeliness of their full reporting of contributions/expenditures. Kindly review the attached for any action needed.

Sincerely,

Barbara Riegel Wayne
City Clerk
