

# **Vote YES To Recall Kern on December 8th!**

**JERRY KERN HAS CONSISTENTLY PUT THE INTERESTS  
OF DEVELOPERS/LOBBYISTS AHEAD OF WHAT'S GOOD  
FOR THE CITIZENS OF OCEANSIDE.**

## ***How Did the Recall Come About?***

*A group of senior residents, fearing eviction from their homes because of Kern's back-door development deals, initiated the recall and obtained 17,000 signatures.*

## ***Why Support the Recall?***

*Jerry Kern has single-handedly changed the focus of City Hall from serving the people to promoting developers and is threatening the safety of Oceanside residents.*

## ***Can We Afford the Recall?***

*This recall will cost only 1/10th of 1% of the City's general fund – a small price to pay for Oceanside's future. This figure pales in comparison to the millions Kern is wasting with no regard for providing vital public services.*

**Kern is WILLING TO SACRIFICE YOUR SAFETY AND QUALITY  
OF LIFE to do deals with HIS DEVELOPER BUDDIES!**
